National Terrorism Advisory System Current Alerts

Hurricane Norbert: Impact to Southern California

Norbert was downgraded to a Tropical Storm on 09/07/14, and further weakening is forecast as it moves west-northwest this morning. The threat of isolated and scattered thunderstorms will continue for Southern California through Tuesday. The primary threat remains flash flooding.

- Flash Flood Warnings are in effect until 1200 hours today for portions of San Diego and Riverside Counties.
- Flash Flood Warnings are in effect until 1230 hours today for portions of San Bernardino County.
- Flash Flood Watches are in effect through this evening for portions of San Bernardino, Riverside, San Diego and Inyo Counties.

Thunderstorms are expected to develop in the mountains during the late morning or early afternoon, and then migrate toward the deserts during the afternoon through early evening. Given the high moisture content of the atmosphere and slow movement of storms, there is a high potential for heavy rainfall and flash flooding from thunderstorms this afternoon through early evening, especially along the east slopes of the mountains and adjacent desert areas. Local rainfall exceeding three inches is possible.

The risk of flash flooding will be greatest in steep canyons, downstream from the mountain slopes and recently burned areas where runoff and debris can quickly fill dry washes.

County Warning Points continue to be briefed by the California State Warning Center as the weather situation evolves.

Hurricane Norbert: Impact to Southern California (Continued)

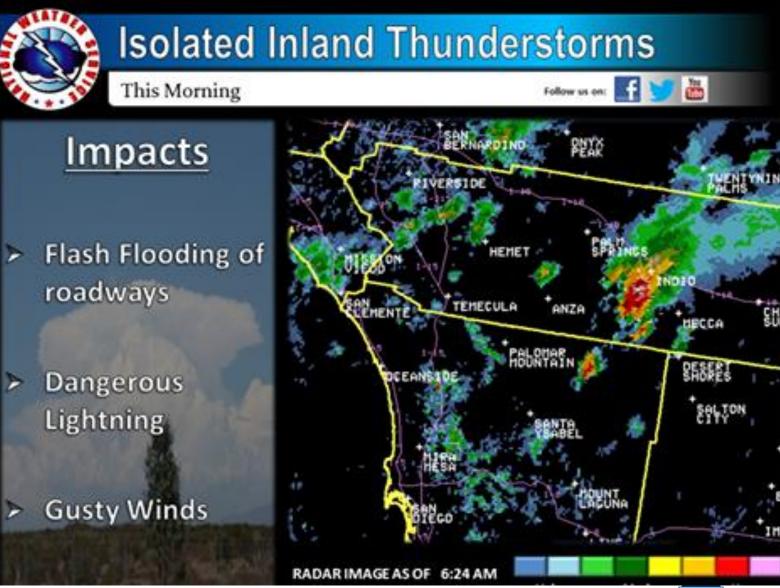

Cal OES Southern Region:

Affected counties, for the most part, did not report any impacts while others reported some moderate damage. There were no Emergency Operations Centers opened for the event. Communication continues to be maintained to address any potential emergency management issues and requests for assistance.

City of Riverside as of 1730 hours, 09/07/14

- Flood control channel at Chicago and Central destroyed
- Numerous Parks damaged
- 2 commercial structures with roof collapses (major)
- 1 single family dwelling structure fire due to lightning strike (moderate)
- 1 apartment complex, unknown number of units with water damage (moderate)

There are no unmet needs or requests for State assistance at this time. The Cal OES Southern Region Duty Officer continues to monitor the situation via OA Duty Officers. The Southern Region EOC is prepared to activate should the need arise.

Likelihood of Precipitation for Monday Afternoon Through Monday Evening

Created by: National Weather Service San Diego, CA

Likelihood of Precip 75% + Definite 55 - 74% Likely 25 - 54% Chance 15 - 24% Sigt Chance

Map generated 9/7/2014 at 6:40:31 PM

Chance of Thunderstorms Through Tonight

Most Likely Locations:

- Ventura and Los Angeles County Mountains
- Antelope Valley of Los Angeles Co.

Impacts from Norbert Remnants:

- Local flooding of roadways and arroyos possible in the mountains and in Antelope Valley
- Dangerous lightning
- Gusty winds near thunderstorms

Preparedness Actions:

- Campers and hikers should closely monitor weather
- Stay out of dry washes even if storms are far away
- Do not attempt to drive across flooded roadways

Governor Brown Requests Presidential Major Disaster Declaration, Offers Additional South Napa Earthquake Recovery Assistance

Moving to help communities recover from the South Napa Earthquake, Governor Edmund G. Brown Jr. has requested a Presidential Major Disaster Declaration for the state and issued an Executive Order to help cut red tape and provide additional financial assistance.

A Presidential Major Disaster Declaration triggers the release of Federal funds to help communities recover and the Executive Order provides additional financial assistance to local agencies and non-profit organizations and ensures residents can replace important documents and access key services without shouldering additional costs or other burdens.

The full text of the letter and Executive Order is HERE

Magnitude 6.0 Earthquake, American Canyon, Napa County

SITUATION:

On Sunday, August 24, 2014, at 0320 Hours PST, a magnitude 6.0 earthquake struck five miles northwest of American Canyon, CA. The earthquake nucleated at a depth of 10.8km. The shaking intensity in American Canyon and Napa from the "South Napa Earthquake" was a "VII" on the Modified Mercalli Scale, suggesting very strong shaking occurred in the Napa County area. Ground shaking was felt as far south as Salinas, east to Sacramento, and north to Ukiah. The Cal OES Earthquake and Tsunami Duty Officer is in contact with the United States Geological Survey and California Geological Survey and will provide updates.

South Napa Earthquake Recovery VIP Tour

• A tour of South Napa was held 9/3/14, and was hosted by the City and County of Napa.

Access and Functional Needs

- Solano County established a casework hotline at (707-438-7059) from 1000 1700 hours.
- Napa County established a casework hotline at (707-257-2900) from 1000 1700 hours.

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Damages

CA State Parks Office of Historic Preservation reports inspections are this week for the Sonoma State Historic Park sites: Vallejo Home, Jack London, Petaluma Adobe and Benicia Capitol.

County of Napa

- Historic Buildings Damaged:
 - Uptown Theater (red tagged), Napa Valley Opera House (yellow tagged), Sam Kee Laundry, Goodman Library, Napa County Courthouse, and Napa State Hospital.

City of Napa

129 red tagged structures; >1,000 yellow tagged structures

Sonoma County

· 44 residences with minor damages; 7 businesses with minor damages

Solano County

• Two (2) buildings sustained minor damage in Fairfield. There is no damage reported in unincorporated areas.

City of Vallejo

• 30 red tagged structures; 409 yellow tagged structures

City of American Canyon

• 0 red tagged structures; 48 yellow tagged structures (44 homes and 4 businesses)

Napa Airport

- The earthquake blew out most of the windows in the Napa air traffic control tower and the facility is unusable. It could take several weeks to get new windows manufactured and installed.
- · No obvious damage to the structure.
- A temporary tower was installed until the permanent tower is repaired. The controllers will use temporary towers (small cabs on the top of trailers) until fully restored in a couple of months.

Mobile Home Parks

Housing and Community Development (HCD) and Cal OES Safety Assessment Program (SAP) inspectors continue to inspect mobile home parks.

Vallejo reports 3 additional mobile homes with damage (9/2/14).

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Evacuations/Shelters

- American Red Cross shelter: Crosswalk Community Church, located at 2590 First Street, Napa, CA: Population: 24
- Pets can be sheltered at the Napa County Animal Shelter on Hartle Court, Napa, CA.
- American Red Cross shelter: Florence Douglas Senior Center, located at 333 Amador Street, Vallejo, CA: Population: 0; closed 09/06/14.

Health and Medical

- St. Helena Hospital turbidity of sources was investigated and found to be minimal. The main turbidity problems are associated with their storage tanks. Contacts have been provided to the water system for tank cleaners. Additional bacteriological samples were collected by staff. There are no notices in place at this time; however, the situation continues to be monitored.
- The Office of Statewide Health Planning and Development (OSHPD) completed inspection of buildings at Napa State Hospital and the Sonoma Developmental Center.
- Per the Department of Social Services, the following CCL Adult and Senior Care Facilities are impacted:
 - Nazareth Rose Garden of Napa, 903 Saratoga Drive, Napa. Closed due to water damage, 38 residents moved.
 - Napa Valley Support Services Brown Street, 2225 Brown Street, Ste. 102, Napa. The facility closed with ceiling damage.
 - Napa Valley Support Services Napa, 622 Imperial Way, Napa. The facility closed with ceiling damage.

The following hospitals/clinics are closed:

• Community Health Clinic (aka: Clinic Ole), 1100 Trancas Street, Napa: Will be closed for two to four weeks due to water damage. All patients with existing appointments have been given appointments at affiliate clinics.

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Health and Medical Cont.

- CDPH Women, Infants and Children (WIC) reported (1) center in Solano is closed and will reopen on 9/8/14. As of September 4, 2014, all four affected WIC site in Napa County have returned to normal operating status.
- Department of State Hospitals: Staff relocations to safe structures continue. Structural engineers continue to evaluate identified yellow and red tag structures. Aside from diligent monitoring, hospital life/safety/health issues and patient treatment areas are back to standard operations.
- The Department of Child Support Services: Napa County Child Support Agency is again providing services to child support customers.
- Napa County Public Health (NCPH) will be submitting a formal request to the Napa MHOAC regarding a request for assistance from the DEODC Emergency Preparedness Team. NCPH is requesting a community assessment of emergency preparedness, mental health issues, chronic disease exacerbation, and injuries following the earthquake. The assessment is planned for the week of 9/15/14.
- The CDPH and EMSA Duty Officer programs continue to monitor and update the impact of the incident.
- CDPH Division of Licensing and Certification (L&C) continues to monitor the situation and provide updates on the status of affected licensed facilities.
- CDPH Division of Environmental and Occupational Disease Control (DEODC) Emergency Preparedness (EP) will be assisting Napa County Public Health with an assessment planned for the week of 9/15/14 regarding epidemiological assessment of injuries, chronic disease exacerbation, mental health needs, and personal preparedness related to the earthquake.
- The CDPH Center for Health Statistics and Informatics (CHSI), Vital Records Registration Branch (VRRB) has been in contact with the Napa County Recorder's office and has not received requests for assistance but is monitoring the situation.

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Power and Utilities

Per CUEA:

- All communications functioning in normal range, AT&T has a COLT (cell on light truck) and mobile charging trailer on site in downtown Napa.
- PG&E strike teams deployed to provide welfare checks to the community for isolated power outages for Napa and damaged areas.

Water (as of 09/05/14)

- As of September 4, 2014, all water main leaks associated with the event have been repaired. They have resumed their typical main leak response levels (2-inch laterals). (Note: the distribution losses are back to normal ~ 8%.)
- Napa Sanitation District (Napa County is responsible for the City of Napa service area) SWRCB has requested an update to get a picture of the progress and mapping of the sewer main breaks.
- St. Helena Hospital Tank cleaning completed, 09/05/14. To date, all water quality samples indicate no total coliform or E. coli activity. Initial storage tank turbidity measured 37 NTU on the day of the earthquake and dropped to 25 NTU last Friday during our inspection six days later. Staff were able to work with the operators and conclude that the storage tank was the origin of the turbidity problem. Following the tank cleaning, turbidity has come down to 9.9 NTU. Note: ¾ of the suspended particles were 10 um or less in size on August 29, 2014. The facilities manager plans to send us a copy of the public notice planned for distribution.
- Meyers Water Company (community, 97 connections) (and neighbor Milton Road & Water Company, community with 24 connections) They are eligible for emergency funding to install 28,000 gallons of storage and a generator. The Company has reached out to its neighbor (recent WQ impacts to their source were detected that related to the earthquake) to consider long-term options. The two companies are engaged in discussing a possible consolidation, which would ultimately lead to increased source and storage reliability for both water systems. SWRCB is supporting any effort to consider these long-term options (likely CA SRF funds) while being clear on the short-term (P84 Emergency Funding) options.
- City of Napa (Browns Valley Pressure Zone, 1,800 connections) The City has worked with customers to minimize peak demands and has a contingency plan (labor intensive) to get through the weekend if the pump fails. To address these immediate needs, SWRCB is working on an emergency grant to provide the following: (1) 2 x variable frequency drive pumps, (2) emergency generator, and (3) a temporary cover on a structurally compromised tank. There are pressure recorders at two locations in the distribution system to monitor Browns Valley these may be utilized in the near future to monitor any repairs made in the vicinity of sewer main breaks. To date, 140 bacteriological samples were collected following the event and no E. coli was detected in the distribution system.

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Deployments

None

Activations

On September 5, at 1700 hrs. the Cal OES Coastal Region Emergency Operations Center (REOC) deactivated. The Coastal Region Duty Officer and assigned field staff, in coordination with Cal OES' Recovery Division and interested stakeholders, will continue to monitor activity, conduct follow-up on related impacts and associated costs, actions taken, and facilitate additional state assistance as needed.

- State Operations Center Level 1 Activation
- Coastal Region Emergency Operations Center (REOC) Deactivated 09/05/14
- Napa County EOC Napa Recovery Operations Center (ROC) Activated Mon thru Fri from 0800-1700 hrs. until further notice.

Proclamations:

- The Governor issued an Executive Order authorizing CDAA and requested a Presidential Disaster Declaration, 09/02/14.
- The County of Napa declared a Local Emergency, 08/24/14.
- The City of Napa Proclaimed a Local Emergency, 08/24/14.
- The County of Solano declared a Local Emergency, 08/24/14.
- The City of Vallejo (located in Solano County) declared a Local Emergency, 08/24/14; Update received 8/29/14.
- The County of Sonoma declared a Local Emergency, 08/30/14.
- The City of American Canyon (located in Napa County) declared a Local Emergency, 08/26/14.

Mission Status: (as of 09/05/14)

- 3 Coordinating
- · 0 Action Required
- 0 On Scene
- 22 Closed

GO-Biz (Governor's Office of Business & Economic Development)

The Governor's Office of Business & Economic Development is working with the State Alcohol & Beverage Control Board to relax regulations if helpful; e.g., if a business needs to relocate temporarily or long term, the license may be transferred to the new address.

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Recovery

- Cal OES Recovery Individual Assistance (IA) continues to support the REOC and respond to inquiries from individuals affected by the earthquake. All IA and Public Assistance (PA) joint federal/state/local preliminary damage assessments (PDA) concluded and a request for Presidential Disaster Declaration was forwarded by the Governor on 09/02/14. However, based on a request for additional IA information, three IA PDA teams are scheduled to meet in Napa to conduct assessments on September 8-9, 2014.
- The City of Napa website has information regarding earthquake recovery resources.
- A Public Assistance Applicants' Briefing to discuss the types of assistance available and the programmatic guidelines is scheduled to occur at 1000 hours September 11, 2014, in the Zinfandel Hall located at 575 Third Street, Napa.
- On 09/04/14, IA participated in a Long Term Recovery Committee (LTRC) meeting with key organizations interested in recovery efforts. A follow-up meeting was held 09/05/14, the Napa LTRC is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement.

Local Assistance Center

The City of Vallejo is holding a Local Information Booth located at 355 Santa Clara Street, Vallejo and is working with the Chair of the Solano Volunteer Organizations Active in a Disaster (SVOAD), to assess needs and make information available to the community.

- Location: Vallejo City Hall Lobby, Tuesday, 9/2 through Friday, 9/5/14, 1000 1600 hours.
- Two translation laptops were provided to assure communication for anyone who is deaf and uses sign language interpreters, and for those with limited English proficiency needing other language interpreters.
- Discussions regarding the need for a LAC or similar type of resource center continues.

American Red Cross Assistance Center: Napa Marriott Hotel opened on 09/01/14 from 1000 to 1900 hours for Napa and Solano County; center will be open for two weeks.

County and City of Napa: LAC opening on Monday, 9/8/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail).

Solano County: Is working with the City of Vallejo on a joint assistance center.

Governor Brown Declares State of Emergency for Northern California Wildfires

On 08/02/14, Governor Brown issued an emergency proclamation for the state of California due to the effects of wildfires in El Dorado, Amador, Butte, Humboldt, Lassen, Madera, Mariposa, Mendocino, Modoc, Shasta, and Siskiyou counties that have burned thousands of acres, destroyed homes and other structures and damaged critical infrastructure.

Cal OES Activations Due to Wildfires

The Inland REOC is activated at Level 1

NORTHERN CALIFORNIA FIRES

Happy Camp Complex, Vegetation Fire, Siskiyou County

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 09/08/14 at 0539 hours:

FRA

- 99,200 acres, 30% contained
- Joint Command between CIIMT 3 and CIIMT 1
- Expected Containment: 09/20/14
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Per CUEA, no threat to communication infrastructure or power lines
- Growth potential is high and a long term fire event is expected, mandatory evacuations and advisories have been established.
- Zone1: Frying Pan Fire has moved beyond Zone break into Zone 2
- Zone 2: Fire spread expected to the East and southeast toward Scott River Road and to the South in Snowshoe drainage
- See Fire Activity Section for detailed information.

July Complex, Siskiyou County

4 miles southeast of Sawyers Bar

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 09/08/14 at 0611 hours:

FRA

- 44,297 acres, 78% contained
- Type 2 Team in command
- · Threatened Structures: None
- Destroyed Structures: 2 Other Minor Structures
- · Whites Fire smoldering and creeping within isolated interior heat sources
- Man Fire burning actively in Big Elk Creek and Wooley Creek drainages.
- See Fire Activity Section for detailed information.

Lodge Complex, Vegetation Fire, Mendocino County

BLM Elkhorn Wilderness, 5 miles north of Branscomb

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 09/08/14 at 0539 hours:

SRA

- 12,536 acres, 98% contained
- CAL FIRE Type 3 IC
- Expected Containment: 09/08/14
- · Threatened Structures: None
- Mop up and patrol continues

SOUTHERN CALIFORNIA FIRES

Meadow Vegetation Fire - Yosemite National Park, Mariposa County

Moraine Dome, East of Little Yosemite Valley, Yosemite National Park. Per CAL FIRE and Cal OES Duty Officers as of 09/08/14 at 0729 hours:

FRA/YNP

- Start Time: 09/03/14, 1630 hours
- 2,582 acres, 0% contained
- · Dangerous rate of spread
- Type 2 IMT Team has been requested for this morning
- · CAL FIRE air resources assigned
- Evacuations in progress for the Little Yosemite Valley, Sunrise and High Sierra campgrounds, Moraine Dome, Vogelsang area and Merced Lake.
- See Fire Activity Section for detailed information.

Montgomery, Vegetation Fire, Mariposa County

Ponderosa Way at Tuolumne River Rd., South of Coulterville on the Stanislaus National Forest Per CAL FIRE and ICS-209 as of 09/08/14 at 0638 hours:

FRA

- Start Time: 09/07/14, 1646 hours
- 100 acres, 0% contained
- · Moderate rate of spread
- Structure Threat: 2 single residences
- Commitment of CAL FIRE air and ground resources

Bridge Vegetation Fire, Mariposa County

Highway 49 at Harris Road – Chowchilla Drainage of Ponderosa Basin Community Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 09/08/14 at 0611 hours: SRA

- 300 acres, 75% contained
- · Threatened Structures: None
- Local Unit will maintain management of the incident with components of CAL FIRE IMT2 assisting
- A Fire Management Assistance Grant (FMAG) for the Bridge Fire was approved by FEMA on 09/05/14 at 2033 hours. Declaration number FM5077.
- See Fire Activity Section for detailed information.

Cal EOC Incident - 2014 Drought

SOC / Inland REOC remains activated in support of 2014 Drought

ACTIVE WEATHER WARNINGS, WATCHES and ADVISORIES:

• http://www.wrh.noaa.gov/sto/brief/wwa_bc_cal.php

LIFELINE ROUTE ROAD CLOSURE:

San Bernardino County

At approximately 0416 hours on September 8, 2014 Interstate 15 was closed to southbound traffic 36 miles south of the Nevada State line /at Halloran Springs Rd/ due to an overturned big rig. The route has not reopened.

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Dry conditions will continue across northwest California over the next several days. Low clouds remain along the coast through the next couple of mornings.

San Francisco Weather:

Weather conditions today will be a near repeat of those experienced over the weekend as an upper level trough moves across the region. A warming trend is then expected for the remainder of the week as high pressure builds over the west coast.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Remnants of Tropical System Norbert will bring some clouds along with a few showers and thunderstorms today to portions of the northern Sierra, mainly south of Lake Tahoe. Otherwise, dry and warm weather will continue through the week.

Hanford Weather:

Thunderstorms will be possible over the Sierra Nevada, surrounding foothills, and Kern County Mountains and Desert today. Sprinkles will be possible through much of the valley. Otherwise, dry weather will return Tuesday and continue through the end of the week with temperatures near to slightly above normal.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA

Los Angeles Weather:

Cooler weather is expected for Monday due to an increase in clouds. Remnant moisture from Tropical Storm Norbert will continue to bring the threat of isolated to scattered thunderstorms to parts of the area through Tuesday. A drier air mass will arrive by Wednesday following the passage of a trough of low pressure. A warming trend is then possible later next week as high pressure returns.

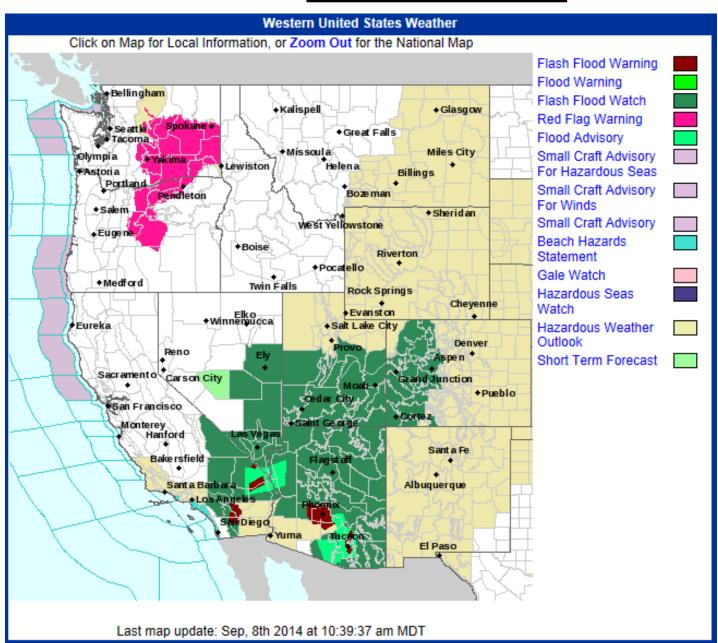

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Monsoonal moisture will remain in place into Tuesday with mainly afternoon and early evening thunderstorms in the mountains and deserts through Tuesday and also in the Inland Empire this afternoon. Drying with seasonal temperatures is expected for Wednesday into next weekend. Weak easterly mid-level flow could bring some moisture and afternoon clouds to the mountains at times from Wednesday into next weekend.

Southeast California Weather:

Moisture will remain in place across the region for the next several days as former Hurricane Norbert approaches the southern California coast. Showers and thunderstorms are expected at times through Tuesday with some locations possibly seeing brief periods of heavy rain. A gradual drying trend is expected to begin by the middle of the week as high pressure slowly rebuilds over the region.

FIRE ACTIVITY

Meadow Fire - Yosemite National Park, Mariposa County

Moraine Dome, East of Little Yosemite Valley, Yosemite National Park. Per CAL FIRE and Cal OES Duty Officers as of 09/08/14 at 0729 hours: FRA/YNP

- Start Time: 09/03/14, 1630 hours
- · 2,582 acres, 0% contained
- · Dangerous rate of spread
- Type 2 IMT Team has been requested for this morning
- CAL FIRE air resources assigned
- Total Personnel 307

Emergency Management:

Evacuations

• Evacuations in progress for the Little Yosemite Valley, Sunrise and High Sierra campgrounds, Moraine Dome, Vogelsang area and Merced Lake.

Request for Assistance:

• The California State Warning Center received a request from Yosemite National Park for helicopter support to evacuate 80 people stranded on Half Dome as a result of the fire. The Cal OES Fire Duty Officer and Law Enforcement Duty Officers were briefed. The Cal OES Law Enforcement Duty Officer coordinated with Yosemite National Park and the California National Guard. Yosemite National Park initially reported that they would utilize the Air Force Rescue Coordination Center (AFRCC) to locate resources. In addition, the California National Guard worked to determine potential resources to assist Yosemite National Park, should their assistance become necessary. Per the Cal OES Law Enforcement Duty Officer, AFRCC could not provide the resources requested by Yosemite National Park. Yosemite National Park used National Park Service fire helicopters to evacuate 2-3 individuals at a time. Per Yosemite National Park, there were no imminent life safety concerns due to the fire. The Half Dome trail ingress/egress route is impacted by the incident and was the reason air evacuation was necessary.

Cal OES Duty Officers continue to monitor.

There are currently no requests for assistance or unmet needs.

None

Drought Update Report

• The Drought Brief will be distributing on a bi-weekly basis. The next brief will be on September 15th.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
